Specifications subject to change

OPTIONS

Alternate voltage / plug styles available

*Hardwired installation uses a standard 3" round plaster ring and requires room in the j box for the included external power supply.
See Cubo installation instructions for more information.

Necessity is the mother of invention, and in this case illuminated activities in bed need highly controlled light — provided here without compromise, while still delivering a simple, clean wall sconce with ambient light — all in one fixture! — and it leaves your nightstand clutter free! — now that is modern.
